## **PBD**<sup>™</sup> Pocket Blade Dispenser

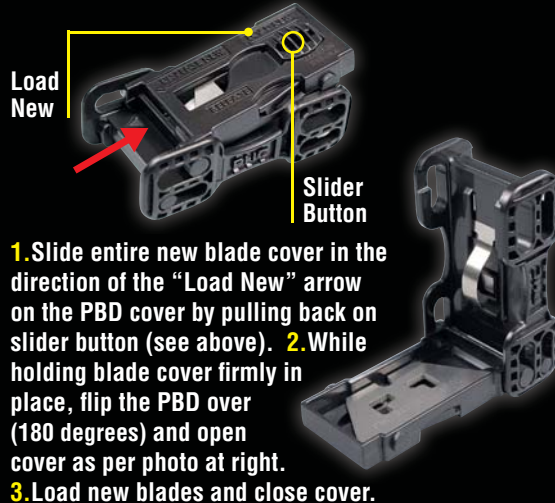

## Instructions For Use

### Dispensing New Blades:

1. Depress safety lever 2. Slide the slider button forward to dispense one blade (see below). 3. Remove blade.

### Reloading New Blades:

1. Slide entire new blade cover in the direction of the "Load New" arrow on the PBD cover by pulling back on slider button (see above). 2. While holding blade cover firmly in place, flip the PBD over (180 degrees) and open cover as per photo at right. 3. Load new blades and close cover.

### Used Blade Storage:

1. Slide entire used blade cover in the direction of the "Used" arrow on PBD (see above). 2. While firmly holding blade cover in place, flip the PBD over (180 degrees) and open cover as per photo at right. 3. Load used blade and close cover.
